GET INTO THE SPIRIT!

The Big Scream is back with a spooktacular festival packed with activities for everyone to enjoy.

This Halloween will be deadly with funfairs in O'Connell's School and Rainbow Park while entertainment along the Royal Canal Greenway will enchant the whole family.

We will also be building on the success of last year's Funfair Sensory Hour for children with additional needs as we include more activities in our 2022 programme.

But there's a lot to look forward to before that!

Everyone is souled on 31 Screams of Halloween, our daily online competitions with prizes and giveaways on each day of October.

The festival kicks off on Thursday, 27 October with a **Monster Party** in Mountjoy Square Park for local primary schools. Back by popular demand are the **Ghost Walks** (with real ghosts!), the **Drac Olympics** & **Family Fun Day**, Find

the Fangs, Community Bingo, and the seniors' afternoon tea & sing-along.

None of this would be possible without the commitment of our community-led steering group who have worked tirelessly to bring you a phantastic festival programme. In addition, our youth and childcare committees have once again pulled out all the stops to provide activities for over 1,000 children and young people in the run-up to Halloween.

The hard work is done so now it's time to celebrate with your community and make this a memorable Halloween – for all the right reasons!

Peter O'Connor

Chairman

The Big Scream Executive Committee

Our Young People

A record number of youth services are taking part in this year's six-week programme to entertain and educate young people about harm reduction around Halloween traditions.

A trip to fearsome **Farmaphobia** will be a highlight for our 14+ age group, while the **Nightmare Realm** will give our under-14s the fright of their lives!

For something more sweet than scary, over 10s can dip into **Chocolate-Making Workshops** while spirited souls will create their own chilling looks in **Special FX Make-up** workshops.

There'll be a chance to play multiple video games when the **Gaming Van** visits each organisation and there'll be prizes to be won during our **Halloween Bingo**.

Crafty souls will be **Creating Creepy Props** for our annual haunted house while sinister stories will come to life in **Spooky Movies** written, acted, filmed, and directed by our talented groups.

A terrifying trek to the haunted **Hellfire Club** is sure to give everyone the creeps and to really get people spooked, there'll be **Scary Movie Evenings** too. Not for the faint-hearted!

The **Gardaí** and **Fire Service** will be coming on board too with a behind-the-scenes insight into Halloween terrors and how to avoid them.

Then on Halloween itself, youth services will host a **brunch** and distribute **harm reduction packs** containing items such as ponchos, water, and cereal bars, as

well as tips for staying safe at this time of the year.

In all, 230 young people are involved in our Spooky Season activities.

Warding off scary creatures will be the theme of **Kickboxing** and **Martial Arts** tasters, while **Soccer** and **Dance** sessions will have everyone enchanted.

Schools & Charleville Mall Library

In this season of high spirits, **The Big Boo...k Project** is a lively celebration of the magic of stories, with a Halloween twist.

Interactive **Reading and Illustrating Workshops** with authors of children's fiction including Shane Hegarty, Úna Woods, Freddie Alexander, Alan Nolan and Ellen Ryan are happening in schools and our local library during the month of October. Halloween-themed paired reading sessions are also taking place in schools with volunteers from KPMG.

Magical tales will be brought to life for our hallo-weenies through **storytelling and song** while bigger children will be challenged to "face their fears" in **sessions that ignite imaginations** and celebrate their inner power.

There'll be monstrous prizes for the winners of our spine-chilling Big Scream Short Story and Art Competitions.

Count Dracula has dusted off his cloak and has arrived safely from Transylvania to meet boys and girls for banter,

quizzes, and fun.

Keep your eyes peeled for Dracula's arrival at your school!

Monster Thanks

No bones about it, the generosity of the NEIC Programme Office has enabled the Big Scream to grow into the monster community celebration that it has become. Also, big fangs to Dublin City Council for their support.

Yet again, O'Connell's School will open its gates for our two-day carnival. You're deadly!

Of course, the spooktacular work of our community-led steering committee, and our youth and childcare groups is

at the heart of the festival's spellbinding success. Plus, the North Wall Community Festival has given fa-boo-lous support to events in Sheriff Street.

This year, local companies have also come on board to support individual events.

You're magic!
